reconstruction clinic. There is such a demand for the graduates of the University of Oregon in the work of corrective gymnastics and physical work for women that it cannot be supplied. One of the features of the new women's building will be the complete equipment for this work.

A guest at the U. G. Holt residence is Miss Alda Hutcheson of Vancouver, Washington.

Mrs. C. O. Rice and daughter, Caroline Elizabeth, accompanied by Miss Florence Cunningham, are Portland visitors. Before returning home they will take a trip on the Columbia highway.

Preparations are under way for the picnic to be given by the women of the First Presbyterian church and which weather permitting, will be held at the state fair grounds tomorrow evening. The women are requested to be at the church at three o'clock and the men are to be at the picnic grounds at six that evening. A large attendance is expected.

Mrs. Gillingham and Mrs. Campbell will be hostesses for the C. W. B. M. of the First Christian church Friday afternoon at the home of Mrs. Campbell, 411 North Summer street.

**Mrs. Burns' Letter**  
Here is a letter that is certain to prove of interest to people in this vicinity, as cases of this sort occur in almost every neighborhood, and people should know what to do in like circumstances:

Savannah, Mo., Oct. 12, 1916.  
"I used a bottle of Chamberlain's Colic and Diarrhoea Remedy about a year ago and it cured me of flux (dysentery). I had another attack of the same complaint some three or four years ago and a few doses of this remedy cured me. I have recommended Chamberlain's Colic and Diarrhoea Remedy to dozens of people since I first used it."

**POLK FIRES SUBSIDE**

(Capital Journal Special Service.)  
Dallas, Or., July 31.—District Fire Warden W. V. Fuller of this city with a large force of men succeeded yesterday in putting out a dangerous fire that was started the latter part of last week several miles west of Dallas by lightning. The fire was but one of four in Polk county timber that lightning caused, two of them being less than half a mile apart. Mr. Fuller states that all the fires in the county are now under control and that no further damage is expected from them. The scene of yesterday's blaze was on property belonging to the Spaulding Logging company at what is known as the old Reynolds camp. Part of the country was burned over two years ago but enough brush and fallen timber was left to cause a nasty blaze that taxed the efforts of the fire fighters.

**THE** aviation craze that has struck Salem has not let the other towns in the valley go by unscathed. Corvallis is the latest victim of the epidemic and in order that the city may have a permanent and convenient landing field for aviators, a progressive body of women known as the women's auxiliary to the Corvallis Commercial club, has taken up the matter of studying the various phases of the situation and of enlisting supporters among the club women of the city for the cause. They propose to secure the best possible landing field and hope to be able to put it in shape and have it in readiness for all aviators who may chance to stop there in the near future.

In anticipation of the proposed measure of the Mather field authorities to send eighteen planes to assist in army recruiting in Oregon, Corvallis women propose to have their field ready so that their city may receive the best possible publicity and consideration from the aviators. The plan is undeniably a good one from an advertising standpoint as well as for practical purposes.

Mr. and Mrs. J. H. Davis of Salem and daughter, Mrs. S. E. Palmer, departed Tuesday evening for Long Beach, California. Dr. and Mrs. Warren B. Davis of Strassmore, California, S. E. Palmer and Miss Abbie Davis left yesterday by auto, with California as their ultimate destination, going first, however, to Portland and The Dalles, and later to Crater Lake.

Miss Davis, who for several years has been an instructor in the Lincoln school, leaves to accept a position in the Long Beach schools. The many friends of the Davis and Palmer families will be grieved to hear of their intentions of making the southern state their permanent home.

Mrs. Ida Bunnell and Mrs. Marie Collins left yesterday on a trip through the middle west. They will stop in several cities in Montana, visiting with relatives and friends. Their ultimate destination is Okaloosa, Iowa, where they will spend a visit of indefinite length before returning home.

Mrs. William Sackett and son Clarence, of Anaheim, California, who are making a tour of the northwest, have left Salem for Seattle. While here they were guests of Mr. and Mrs. L. P. Aldrich and Mr. and Mrs. Walter Buckner. The Sacketts were formerly residents of the city and have a number of friends here.

The motor party composed of Mr. and Mrs. U. G. Shipley, Mr. and Mrs. J. W. Beveridge, Mr. and Mrs. P. H. Fleming of Portland and Mrs. Edward Law and son of Hood River, have returned from an enjoyable week's outing at McCrede Springs.

Functions in the interest of the women's building at Eugene are being held regularly in the principal cities of the state. Some of the most interesting features of the proposed building are the gymnasium, swimming pool, dressing rooms, assembly rooms and sun rooms. The gymnasium includes a visitor's gallery and rooms for the corrective gymnastics for which Oregon became known in this work under the direction of Dr. Bertha Stuart, now head of the Hood college

# Stock Reducing Sale

## FRIDAY AND SATURDAY

August 1-2, 1919

We want to cut down our immense stock before we take our semi-annual inventory early in August. And although the prices on shoes are soaring (some lines have advanced 50 per cent since January 1st 1919) and bid fair to continue to raise. We are so anxious to reduce our stock to its lowest point before invoicing, that we are going to make some
